## DRINK LIKE AN Italian!

### Start with:

An amaro or a dry cocktail, known as an aperitivo. Slight bitterness helps open up your palate and your appetite. Great with one of our starters.

### Continue with:

A glass of wine! Red or white or sparkling, you can't go wrong. Your server will have recommendations and pairings.

### Finish with:

Either a dessert wine by itself or something stronger like espresso or a digestivo to get the digestion going.
